PRELIMINARY AMENDMENT

Sir:

Preliminary Amendment

Prior to examination, kindly amend the application as follows:

IN THE SPECIFICATION:

Please amend page 5, line 8 of the specification to read as follows:

Furthermore, said speaker section has a first speaker and a second speaker which are arranged on a surface provided with said display section of said ~~second~~ first housing interposing said display section, said first housing and said second housing are coupled each other to be rotated around a shaft which is provided in a direction of passing through the first and second housings, once the communication line is connected in the closed state, said communication control section controls said first speaker which is arranged furthest from said microphone to function as a receiver, but controls said second speaker not to function, and once
